HD EVAPORATOR COIL CLEANER (ASD) Non-Rinse Alkaline Degreaser & Deodorizer

ACE SUPER D (ASD) is a concentrated detergent-based alkaline coil cleaner containing a special "inhibitor package" designed to offer excellent cleaning and degreasing performance while also protecting against soft metal erosion. **ACE SUPER D (ASD)** is a very effective deodorizer formulated with a limited foaming action that is ideal for use on evaporator coils, electronic and permanent air filters, grilles, registers and fan blades to remove grease, dirt and other harmful contaminants.

FEATURES & BENEFITS

- Non-Rinse, Inhibited Alkaline Evaporator Coil Cleaner.
- Low Foam Detergent-Based Cleaner, Degreaser and Deodorizer.

DIRECTIONS for USE - EVAPORATORS: Shut off unit before diluting one part **ACE SUPER D (ASD)** with ten parts water. Apply diluted solution with a low-pressure ACE sprayer. Allow solution to remain on coil for 10 minutes before putting system back in operation. Unit's condensate water will remove contamination from coil surface. No rinsing is necessary.

CONDENSERS: Shut off unit. Then dilute one part **ACE SUPER D (ASD)** with six parts water. Apply diluted solution to coil surface with a low-pressure ACE sprayer. Allow solution to remain on coil surface for 5-10 minutes before flushing thoroughly with clean water. • **NOTE - ACE SUPER D (ASD)** has a limited foaming action and the product is recommended for use on condenser coils that have been regularly maintained. Use **ACE FOAM N CLEAN (FNC)** for all other condenser coil cleaning applications.

GENERAL DEGREASING - Electronic and Permanent Filters; Grilles; Fan Blades etc.: Dilute one part **ACE SUPER D (ASD)** with 20 parts water. Apply diluted solution with sprayer or cloth. Wipe clean with clean cloth or flush with clean water.

CAUTION: Contains inhibited alkaline hydroxides. Avoid contact with skin and eyes. Use protective gloves and glasses. Protect from freezing. For Professional Use Only. **KEEP OUT OF THE REACH OF CHILDREN.**

FIRST AID: SKIN CONTACT - Wash with clean, soapy water. If irritation persists, seek IMMEDIATE medical attention. EYE CONTACT: Flush with clean water for 15 minutes. If irritation persists, seek immediate medical attention. INGESTION: Drink plenty of water, and then seek IMMEDIATE medical help.

PHYSICAL PROPERTIES

APPEARANCE	Clear Liquid
COLOR	Orange
ODOR	Citrus
pH	13.70
SPECIFIC GRAVITY	1.13
PACKAGING	4x1-gallon bottles/case 5-gallon pail 55-gallon drum
